ORCHIDS

Did You Know that Just Add Ice® Orchids...

Are already two years old at the time of sale and are painstakingly grown from tissue cultures of other orchids. *The tiny plants are housed in different areas of the greenhouse where light, humidity and water are tailored for each developmental stage.*

Come in Premium, Watercolor, Waterfall, Petite and Mini options.

Are easy to care for and can be watered with just three ice cubes a week for Premium, Watercolor and Waterfall varieties, and one weekly ice cube for Minis.

Bloom for two to three months at a time.

Can rebloom over and over with proper care during dormancy.

Grow to 16"-30" for Premium and Watercolor options, 23"-25" for Waterfall, 15"-20" for Petite, and 6"-10" for Minis.

Are children and pet friendly.
